

Deepwood Foundation

Creating Brighter Futures

The Deepwood Foundation Story begins in 1992 when the organization was created by parents and professionals concerned with the needs of children and adults with Developmental Disabilities.

A family's story begins with a diagnosis that their child will be impacted with a lifelong challenge. The Deepwood Foundation provides support for these families to help them see that their child's life is not defined by their disability. The foundation is dedicated to assisting families with identifying abilities and opportunities to prepare for the future.

We will award over \$100,000 in grants throughout 2017 to assist people in need, however the grant

requests continue to increase as the years go on. **As a proud supporter of the Deepwood Foundation and your neighbors in Lake County we call on you to continue to support the cause by donating to our annual campaign so we in turn can continue to serve our neighbors in need.**

Smiling is contagious. Give a smile today by donating and helping someone in need this holiday season.

at these locations with weekly visits. Benefits of massage therapy for adults with Autism and other disabilities include musculoskeletal relief, anxiety reduction, general relaxation, comfort and much, much more. Many Thanks to Deepwood Industries and Heidi's fundraising, the program can continue!

Tony C. Wins The Gold Medal At The Special Olympics In Columbus.

How Your Donation Can Help

- \$50 provides musical entertainment at Broadmoor School.*
- \$100 provides a Therapeutic Compression Vest*
- \$300 purchases a communication device*
- \$500 provides a summer camp scholarship*
- \$1,500 provides a gently used hospital bed or a therapeutic stroller*
- \$2,500 provides a power door and opener for independence at home*

Special People, Special Touch

In 2014, Deepwood Foundation provided funding to make massage available to a group of adults diagnosed with Autism and developmental challenges. The program was so successful that the service is now offered at Broadmoor, Willoughby Workshop and Imagine. Today individuals at the workshops and habilitation services receive weekly services. Heidi Fatica is the massage therapist and the program involves 34 people

Browns Backers

The Browns Backers raised over \$3,500 for Deepwood Residential Holiday's. They provide happiness and joy for those children and adults living on the Deepwood Campus that have limited family involvement.

The Best of 2017

**Transportation Safety
Day At Broadmoor
School**

In addition to necessities we like to help provide a little fun and help bring smiles to the faces of our neighbors, by creating opportunities such as community events, holiday parties and so much more. Seeing these smiles everyday helps to remind us why we work so hard to advocate for those who can't always help themselves. **We would like to take this opportunity to thank you for helping us create smiles and share a few of them with you here.**

2018 Events Save The Dates

Art With a Heart
Stay Tuned

Deepwood Dancers Gala
March 2018

Marcus Lintern Reverse Raffle
April 2018, St. Noels

Girls Night Out
May 2018

Evening With Deepwood
November 2018

Deepwood Run – Stay Tuned

Willoughby Workshop “Toys for Tots”

The Willoughby Workshop participated in the Toys for Tots Drive again this year. This was their best year yet, collecting more than 100 toys that they will deliver to families in need.

Miracle League

“Every child deserves a chance to play baseball.”

It's happening!!! In September 2017 The Miracle League held a ribbon cutting welcoming the Lubrizol Adaptive Playground. The playground is inclusive and can accommodate everyone and is open to the public.

Later in September contractors broke ground to build the field – progress continues and we will play ball in the spring. There are still a few dollars to raise so look forward to some events in 2018. Starting with a Zumba Party at Manry Park in Willowick on Friday, January 26, 2018 from 7pm-9pm. Click [HERE](#) to register.

The Deepwood Dancers are a newly formed group that made their debut performance at A Magical Evening with Deepwood in November. The team consists of eight individuals and will be making appearances at local nursing homes during the Holiday Season. They will also hold a Gala in March 2018 at LaVera Party Center.
